“My prayer is that after you read Lit Up with Love, you will love Jesus more than anything; be encouraged and equipped to speak and be the gospel to people who are longing to hear good news, and find yourself part of a growing community that becomes a movement of believers who are doing the same. Friend, Jesus is worth it. We have the greatest treasure there is: Jesus. May we share his goodness with the world.”

– Pastor Derwin L. Gray, author of ***Lit Up with Love***
