

We live in the  
*everyday rhythm*  
of the choices we make.

#thislifeweshare

What's  
*new and good*  
today?

#thislifeweshare

Love is  
*stronger still.*  
It always has been.

#thislifeweshare

Failure is never the  
*final word*  
in God's economy.

#thislifeweshare

What we  
*surrender*  
God reproduces.

#thislifeweshare

Faith and action go  
*hand in hand.*  
Ours in his.

#thislifeweshare

The one who calls you  
*is faithful*  
and he will do it.

1 Thessalonians 5:24

#thislifeweshare

We  
*need*  
friends.
